This is a STOCK item:  
Look for our Same Day Shipping icon for all products that ship out on the same day (orders must be placed before 3pm EST)

### ADJUSTING SENSITIVITY

#### Sensitivity Knob

Slider: Controls light level.  
Up increases light level, down decreases light level.

**IMPORTANT:** To avoid lights turn off or flicker at low end: Push slide down. Turn the low-end knob clockwise until the lights remain on without flickering.
