

INSTALLATION DES SUPPORTS | BRACKETS INSTALLATION

Fixer les supports à l'aide des vis incluses. À partir de 4" (102mm) des extrémités, utiliser un support aux 24" (610mm).
Fix the brackets using the included screws (starting 4" (102mm) from the ends, use a bracket every 24" (610mm).

INSERTION DU LUMINAIRE | INSERTING THE FIXTURE

Presser le luminaire dans les supports et faire effectuer le branchement bas voltage par un électricien.
Press the fixture into the brackets and have the low voltage connection made by an electrician.
